Someone I met a long time ago
Who was she ?

Episode One
Beautiful flowers have thorns

It's so

Probably
because
there is
a station
behind me
..... A lot of
people ...
Among those people
how many people

than me ?
I was just
Dumped
by my
boyfriend

www.janimes.com

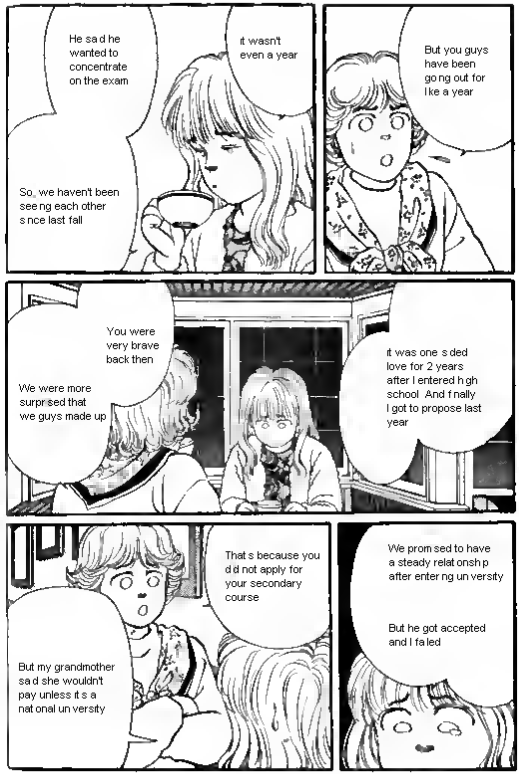
It was a relationship I had longed for 3 years
No way am I doing well
Long time no see Are you doing well?
You were dumped ?
Please don't say that out loud



He sa d he wanted to concentrate on the exam
it wasn't even a year
So, we haven't been see ng each other s nce last fall
But you guys have been go ng out for l ke a year
You were very brave back then
We were more surprised that we guys made up
it was one s ded love for 2 years after I entered h gh school And f nally I got to propose last year
That s because you d d not apply for your secondary course
But my grandmother sa d she wouldn't pay unless it s a nat onal un versity
We prom sed to have a steady relat onsh p after enter ng un versity
But he got accepted and I fa led

I bought th s one p ece dress n a hurry
And had a perm
I was really looking forward see ng h m today
Your grand mother s cheap

What you just not ced ? t took 3 hours+ 3 hours ! !
I had a perm for the f rst t me n my l fe

I did all that -
Why d d he dump you ?

She was so pretty
What?

What a jerk !
How do you know?
He brought her along
Thanks
Forget about a jerk lke h m!
There w ll be other decent men n a pr vate nstitute

Decent men ....
Ya...
Good luck
Putting on a makeup like this ...
I feel so foolish.
But I suppose decent men would like decent women.
I am sure there are a lot of decent men.
ah ah ah
He didn't have to be so direct
Yeah. I am short, fat, freckles on my face and thick hair
I haven't told you until now. But I dig for a good looking face

Jaminés

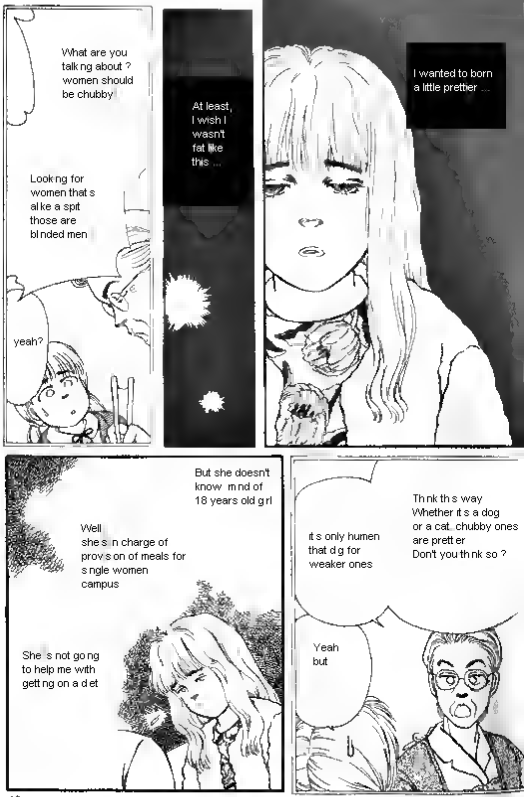
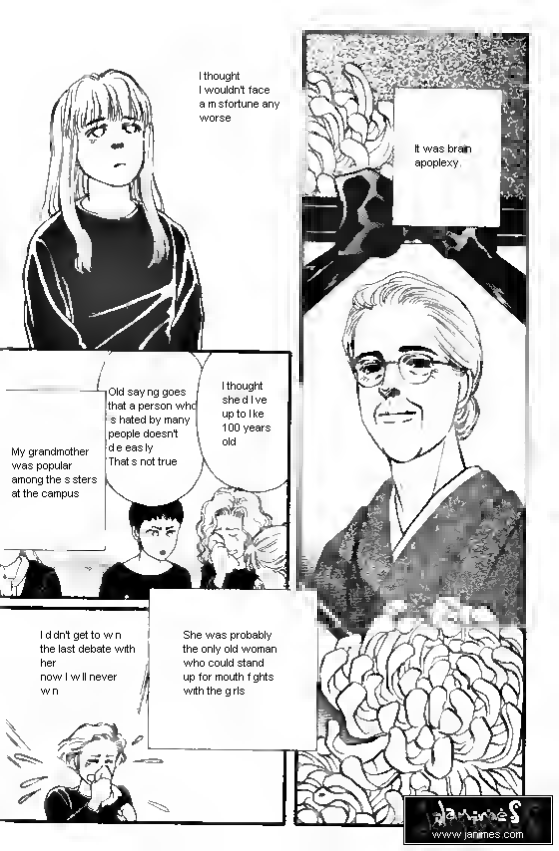
Slim body, and good looking ...
When you look around,
There are actually many pretty women.
I guess I am a rare case
I don't see that many handsome men
But I see a lot of good looking women.



What are you talk ng about ? women should be chubby
Look ng for women that s alike a spit those are bl nded men
yeah?
At least, I wish I wasn't fat like this ...
I wanted to born a little prettier ...
But she doesn't know mnd of 18 years old grl
Well she s n charge of prov s on of meals for s ngle women campus
She s not go ng to help me with gett ng on a d et
Th nk th s way Whether it s a dog or a cat. chubby ones are pretter Don't you th nk so ?
it s only humen that d g for weaker ones
Yeah but

Well I do think that I am not the fattest and uglest girl around
And he even laughed at me
And I was in love with someone who thinks me like that !
But the reason I was dumped was because I am "ugly" !
Damn it, I am going to cry over and over tonight !

I am back
besides I get to choose an institute
It's not like I am going to be faced with a misfortune that's worse than this
What ?!
Your grandmother collapsed !
Brain apoplexy or cardiac insufficiency symptoms whichever it's just get there now
Yuri !
It's urgent !
Get to the hospital now !

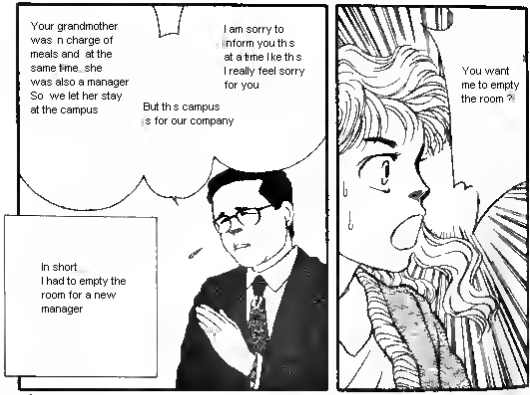


I thought I wouldn't face a m sfortune any worse
It was brain apoplexy
My grandmother was popular among the s sters at the campus
Old say ng goes that a person who s hated by many people doesn't d e eas ly That s not true
I thought she d l ve up to l ke 100 years old
I d dn't get to w n the last debate w th her now I w ll never w n
She was probably the only old woman who could stand up for mouth f ghts w th the g rls

www.janimes.com

I suddenly became an orphan
What should I do
Your only family was your grandmother
You failed to enter an university as well What are you going to do now ?

But something bigger was waiting for me



Your grandmother was in charge of meals and at the same time she was also a manager So we let her stay at the campus
I am sorry to inform you this at a time like this I really feel sorry for you
But this campus is for our company
In short I had to empty the room for a new manager
You want me to empty the room ?!

All my savings went to the funeral !
I don't have any relatives !
I don't have a place to live !
What do I do ?!
아아아아...
Argh,
I don't have any money for living expenses and for moving !
It's March already. But the wind is so freezing still.
Let's see.
I will have to find a room with the bonus fund from the company.
I will have to find a part time job ASAP.
It turns out that failing to go to an university was a good thing.

You've always been like that missing a gear or two

Because of you
my late days

A lot have happened
You were a crybaby

You know that there's a veteran actress who's often cast in TV and movies?
I know her ?!

By the way she has that many boyfriends?
You would never guess how many

Sumire-on
Ah, good He is still awake
Massaging machine ..., boyfriends..., I am getting confused.
So ask Sumire on san

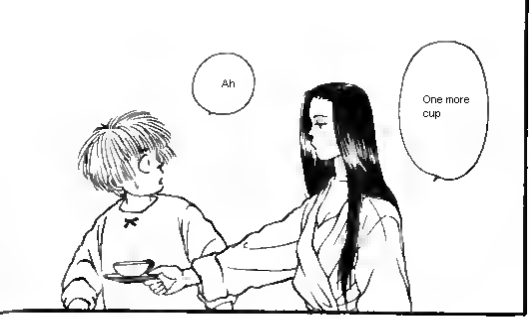
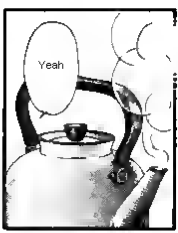
Ao looks like a woman
But he's a guy
So
And Sumire's a brother from different father
Gay incest ?!
Yuri



Ah
One more cup

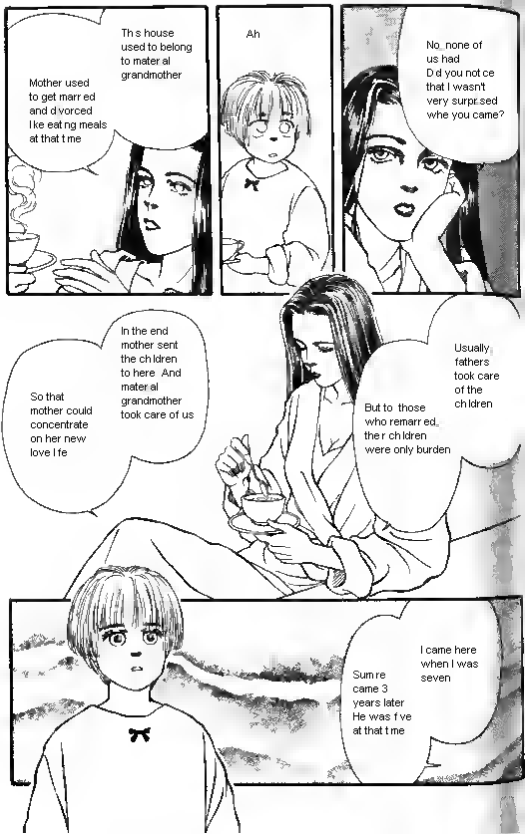
One-s ded?
Sum re doesn't know it s Ao's one-s ded love



Yeah

Weren't you grown up together ?!
it couldn't be helped Ao came here when he was 14 years old

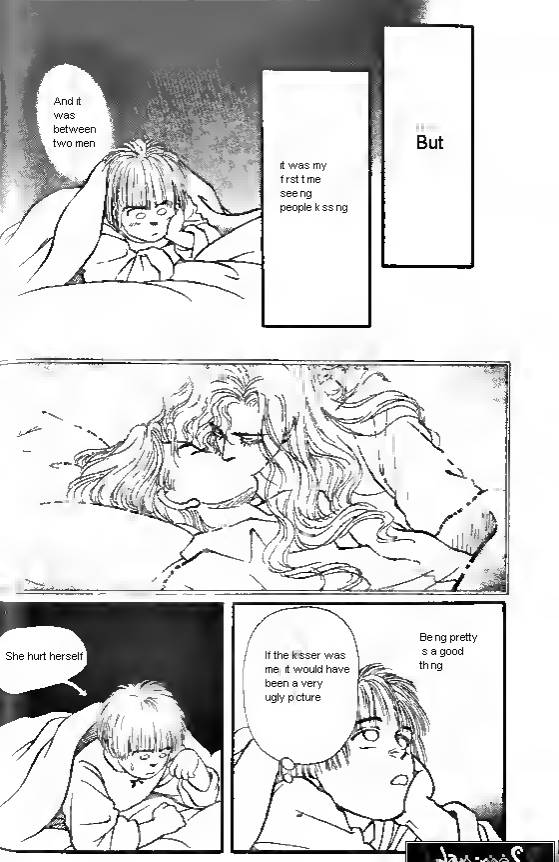
But how s that poss ble ? D dn't they grow up together?



Mother used to get marr ed and d vorced Ike eat ng meals at that t me
Th s house used to belong to mater al grandmother
Ah
No, none of us had D d you not ce that I wasn't very surpr sed whe you came?
So that mother could concentrate on her new love l fe
In the end mother sent the ch ldren to here And mater al grandmother took care of us
But to those who remarr ed, the r ch ldren were only burden
Usually, fathers took care of the ch ldren
Sum re came 3 years later He was f ve at that t me
I came here when I was seven

He was in his puberty
Before he could see him as a brother love has gotten to him instead it seems
Ao was 14
Living environment like that ever since they were young
You be careful too
I must say that Sumire is too dump not to notice it though
I see

That won't happen !
You are 18 Sum re s 21
Dangerous dangerous
Why ?
No not yet
Why not ?
Let me ask you th s then Can you see me as your s ster?
Huyou-onesan !
See ?
18 years s a long t me



And it was between two men
It was my first time seeing people kissing
But
She hurt herself
If the kisser was me, it would have been a very ugly picture
Being pretty is a good thing

www.janimes.com

Hurting herself even more
Whatever Ugly one looks only good in ugly situation So what!

You st ll remember don't you?
Th s 17 year old s go ng through a tough love
He probably hasn't eaten anyth ng s nce last n ght

By the way where is the old woman now ?
Out of blue
All r ght I am go ng out
Ah the massag ng mach ne
What s go ng on?

You sad Don tell Sum re
Are you really mother s daughter ?
I am sorry !
You are so easy go ng

What?
Among brothers and s ster you are the only one that looks utterly d fferent
All r ght let s forget a fact that you are ugly
But by just lookng at how mother reacted your dentty s to be quest oned
F rst of all when mother reunted wth me she cr ed
She acted as f she has thought about her ch ldren every s ngle day
She tres to h de a fact that she cares for herself the most
And she wants us to th nk that she s a good mom

She reacted
d fferently
to you
Even f you try
to trick me
it won't work
Of course
Every one of us
has a d fferent
father What you

does mean it s

You are
just try ng to
be posit ve
I trust mother
who recogn zed
me at her f rst

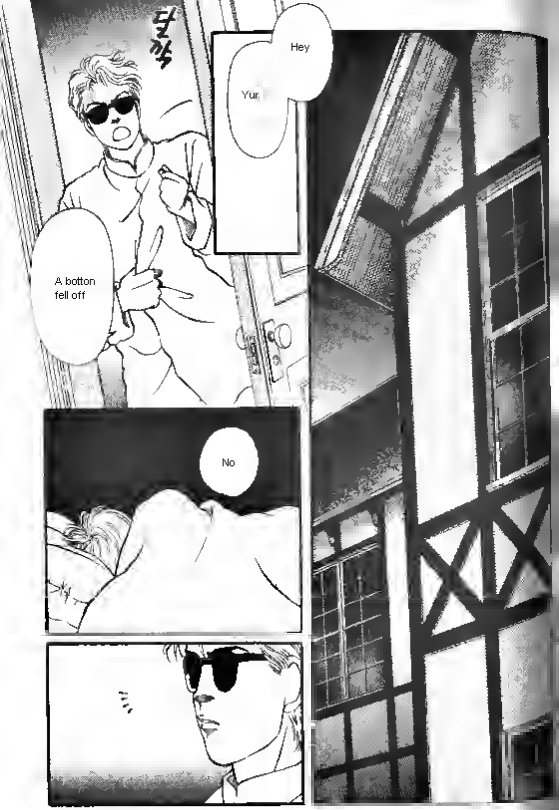
No matter how hard you try to beleve
mother only sees you as a mad
Even if she does see you as her daughter
She is probably ashamed of having a fat and ugly daughter !
HOH

Have bad personality
It is said that those who have fine faces
It's true !



Hey
Yur
A botton fell off
No

I can't forgive you !
What's with your attitude ?
How rude,

What?
It s not like
I like to be ugly
Why are

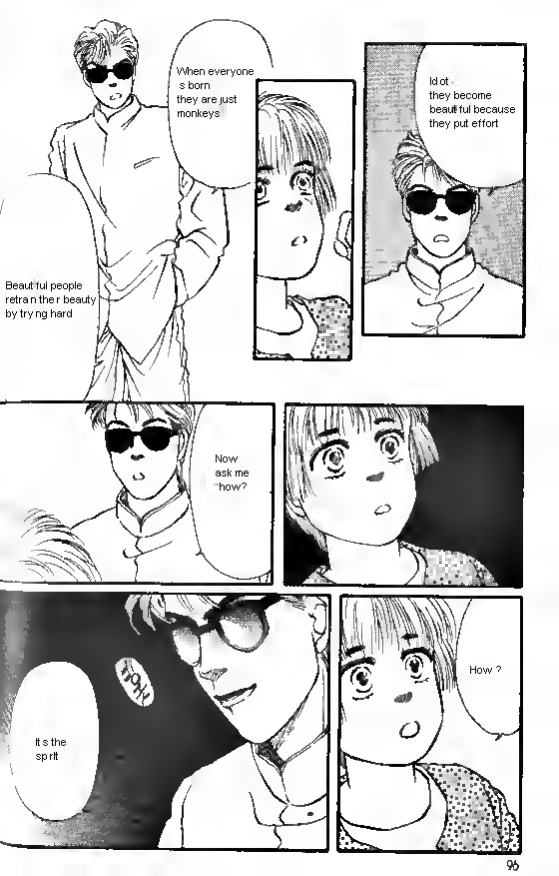
It's not my fault
that I look nothing
like mother !
It s not like
they are born
pretty by ther
own w ll
It s so
not far !
They act as f they have
r ght to treat others
like fools !
www.janimes.com



When everyone s born they are just monkeys
Beaut ful people retra n the r beauty by try ng hard
Id ot they become beaut ful because they put effort
Now ask me "how?

It s the spr t
HOW

You need spirit and power to go on like this
Those who simply wait for some good luck.
I am a handsome guy I am a beautiful woman
My only enemies are those who are better than me!
Whatever I do I shall be proud of what I do
They deserve to be treated like fools!

Yeah? But it doesn't matter
A little
Are you drunk ?
I understand what you are try ng to say
But it doesn't change that I am env ous
I so want to have what I d dn't have when I was born
I feel m serable more and more

What month is now?
April
Next month is May then.
By May Satporo will be full of flowers
Before being flowers they are buds
Do you know what is in a bud?

Power of life
That's very pure
and very sweet
The power expands the shrunken petals
And it eventually makes a flower that's much bigger than the bud
Every bud has
the power

It s all
r ght
You w ll
be a flower
one day
It does
not matter
what k nd
of flower
Because
every flower
s beaut ful
n its own way

When I felt through my skin that other s warmth was so warm
For the f rst t me n my l fe I slept w th my brother
I felt l ke cry ng

So, I cried
a lot that night.

This is the problem.
Why were you sleeping next to me ?!
not our sister.
She is
Love always brings jealousy.
Think positively The house is vigorous.
Isn't it better than sleeping with a fully grown man ?
If that is true, Sumire has slept with a fully grown woman.

Sometimes that makes your love even more deep
Did he appear in other movies?
I don't know
I don't think so
Yeah
it was when I was 5 or so years old I was playing with a glass bead that my grandma gave it to me it slipped out of my hand and fell to a river
On a bridge

So...
what ?

No

Hmm
Seeing I dreamt something like that would mean I've been really thinking of Sumire-on-san in my consciousness
And even bed scene would not be an embarrassment
I wish I were slender like that If I was like that even if I had to go with the incest, I would act imposing
The reality is that my abdomen is really chubby !! I can't even dream of incest !
Idiot ! Idiot ! Idiot !

www.janimes.com

He was my first love So what ?
How easy-going
Look at her She's smiling and crying at the same time. I think
I don't want to drown in some incest relationship with my brother
If one hears such a comment everyday, even a love that is meant to last 100 years would die off quickly
Oh no, oh no, oh no,

Tell me
I will try
to help
you
Then
I will
tell you

before being

You've been
acting strange
I want you to do
something about
your habit
When you drink,
you become too kind
to females
And I don't think
it s a very good habit
to forget about
everything you did
while you were drunk
That s
cute
Are you
being
jealous ?

You are my only younger sister. Of course, I have to treat you better.
Damn it He was fully drunk already.
Fine ! I understand ! I will not be kind to any other women except you.
That's not what I said !
In return,
I will be the first one to hear who you love when you find a man.

When you leave
Leave gradually
Don't leave so suddenly
When you find your man I will not be wanted anymore but
If not I will be too lonely

I've fallen for this trap numerous times !!
